Community Behavioral Healthcare Association (CBHA) invites you to Exhibit at its Annual Conference

CBHA is recognized as the premier association serving the needs of behavioral healthcare providers. This event is one of the largest, most widely attended and well respected of any mental health, developmental disabilities, and substance use trade association conferences in Illinois. Each year more and more organizations have added to the success of our conference by participating as an exhibitor, sponsor, and/or advertiser. Your participation this year assures you an opportunity to meet behavioral health care providers from across the state.

This conference brings together the leaders of behavioral healthcare - from community-based providers, to provider owners, to behavioral healthcare systems, to provider networks, to county and regional authorities, and to state association providers. Representation at this conference provides your organization with access to the professionals who influence the purchasing decisions of their organizations and who are eager to see your current products and services. Chief executive officers, board members, chief operating officers, risk managers, medical and nursing directors, clinical directors, financial officers, information systems managers, marketing and public relations professionals, research and evaluation managers, community education coordinators, program directors, and state and county mental health and substance use directors are but a few of the many participants at this conference. Access these key individuals to reach the organizations they represent.

All exhibitors and sponsors will be recognized in the Conference Program (if application and payment are received by November 16, 2017) in the on-site registration packet. CBHA looks forward to including you among the select group of exhibitors and sponsors for our 2017 Annual Conference. It's an opportunity you will not want to miss!
