

Benefits of Integrated Telehealth on Workforce

- Provide continuity of care
- Increased support for clinicians by in-person teams
- Practicing in a collegial and engaging environment
- Integrate into existing workflows
- Equal utilization, but less stress on the clinician
- Remote access
- Flexibility
- Better work/life balance

E-consult

- Synchronous or asynchronous depending on the needs of the team
- Allows specialized mental health clinicians to do more with less time
- Decreases burnout
- Better utilizes on the ground staff at the point of care
- Doc-to-Doc consults
